51740/49 Schools. Secondary. District Board South Kanara - Permission to open a high school at Koteshwar

Memo 51740-B1/49-1 Edn d. 8-7-49

It is understood that the Dt Bd South Kanara has applied for permission to open a high School at Koteshwar (near Coondapoor) as the loc people have ~~promised~~ put up a building for the Sc and have promised the Dt Bd that they would mee the expenditure on equipment, laboratory, & other tea appliances and deposit Rs 3000 towards any net cost which the Dt Bd may have to bear in the curren year and in the succeeding year. It is reported tha a large number of students are awaiting admission into the new school as there is no accommodation for these students in the high School at Coondap The DPI is requested to report very urgen

whether the permission sought for has been granted by
to issue orders very urgently, so that the boys may
admission into the new high school before the middle
this month. He is requested to furnish a copy of the

Subject: EDUCATION - Secondary - Opening of a Branch High School of the Board High School, Coondapur at Kotcshwar - Representation by the Public of Kotcshwar Orders requested.

8437 Reference: Copy of address of Welcome presented to th Hon'ble the Minister for Local Administration and Co-operation, Madras, by the public of Kotcshwar dated 13-5-1949.
(2) Endorsement N.Rc.No.6107-B-49 dated 20-6-49 of the District Educational Officer, South Kanara.

++++++

It is observed that for the past several years, the strength of the Board High School, Coondapur has been steadily increasing as can be seen from the figures given below:-

Year.	Total strength of the school.
1944-45.	409
1945-46.	489
1946-47.	613
1947-48.	740

2. But there is no sufficient accommodation in the school for this growing strength. The District Board with its unsatisfactory financial position, could not provide for necessary accommodation. Realising the urgency of the above need, the Building Extension Committee, Coondapur, two years ago, put up a block of 6 rooms with 300 school places at an --- approximate cost of Rs.23,000/- by raising donations from the old boys and well-wishers of the school. As this amount was not sufficient, the District Board sanctioned a sum of Rs.4000/- to complete these buildings. Even with the above additional blocks, the question of accommodation has not been completely solved and the Headmaster, in consequence, had to refuse -- admission to a number of pupils last year and this year too. Of these pupils, who were denied admission, a large number of pupils come from Kotcshwar and its immediate neighbourhood.

3. On 13-5-49, the public of Kotcshwar waited on the Hon'ble The Minister for Local Administration and presented an address in which they requested that a Branch High School to the Board High School, Coondapur, may be ordered to be opened by the District Board at Kotcshwar. The Hon'ble The Minister had expressed with my predecessor in office Mr.S.R. Kalwar that steps may be taken to open a Branch High School at Kotcshwar.

4. The District Educational Officer, South Kanara in his D.R.C.No.6107-B-49 dated 20-6-49 (copy enclosed) has observed that in view of the fact that the Dt.Board is not able to

provide suitable additional accommodation in the Board High School, Coondapur, for all the pupils coming from Koteshwar and that further help from the public of Coondapur in this direction may not be forthcoming, the offer of the public of Koteshwar to provide necessary accommodation and equipment, if a Branch High School is opened at Koteshwar, may be accepted and a Branch High School may be opened at Koteshwar with forms I to IV to begin with, if the funds of the District Board permit, with one section in each of the forms. Koteshwar is only 2 miles from Coondapur and is connected by bus service throughout the day.

5. The additional net cost to the Board for the opening of a Branch School with one section in each of the forms I to IV to provide education for about 180 pupils is estimated at Rs.500/- after taking credit of the entire cost which the public of Koteshwar will meet towards buildings, furniture, library and laboratory equipment required for the purpose.

6. The Budget Estimate of the Board for 1949-50 as revised by Government in their orders M.S.No.668-L.A., dated 28-3-49 closes with a deficit of Rs.1,53,990/-. The Government have however stated that the question of avoiding this deficit will be considered which while they pass orders on the Revised Estimate for 1949-50 and in the meanwhile, the Special Officer has been requested to retrench expenditure wherever possible. The opening of a Branch school will cost the Board approximately Rs.500/- for the year 1949-50. The President of the High School Committee, Koteshwar on behalf of the public of Koteshwar, has undertaken to pay a sum of Rs.3000/- towards the net cost for 1949-50 and the due fulfilment of the following conditions:-

(1) To provide suitable buildings necessary to accommodate the entire Branch High School proposed to be opened at Koteshwar as required by the relevant rules of the M.E.R.

(2) To provide all necessary furniture required for the school.

(3) To provide necessary laboratory and other equipment and appliances required for the school.

(4) To provide necessary playgrounds, urinals and latrines required for the school.

It is also likely that the school may be self supporting after 1951.

7. In the interests of a large number of boys and girls of Koteshwar and surrounding villages who are denied admission into the Board High School, Coondapur, for want of necessary school places, the opening of a Branch High School to the Board High School, Coondapur at Koteshwar which is a thickly populated centre and within easy reach of Coondapur, is urgent. Besides, during my camp at Coondapur, I visited the Board High School Coondapur on 16-6-49 and found that the school is urgently in need of additional accommodation. I am of opinion that a Branch of the High School should be opened at Koteshwar to provide high school education to a very large number of boys and girls who do not get admission in Board High School Coondapur year after year.

8. In the circumstances stated above, I request that Government may be pleased to accord necessary sanction for the opening of a Branch High School, at Koteshwar with forms I to IV having one section in each form, as recommended by the Dt.Educational Officer, South Kanara with effect from the current school year 1949-50 and issue orders urgently.

M.Ref.---/-A/-- dated 31-5-1940 of the Special Officer, South Kanara District Board regarding the opening of a Branch School at Koteshwar.

L.R.C.No.417/-B/40 Dated 20th June, 1940.

Retransmitted to the Special Officer, South Kanara Lt.Bd

...

2. Koteshwar which is at a distance of 5 miles from -- Coondapur is a thickly populated village and the request of the villagers to provide their children with necessary facilities for Secondary Education needs immediate consideration. If suitable additional accommodation can be provided for the Bd. High school, Coondapur so that all the pupils coming from Koteshwar are admitted in the school, there is no need for a separate secondary school at Koteshwar. But the main difficulty is that Coondapur Public have already got a block of building constructed at a cost of nearly Rs.50,000/- and further collection from the public for additional blocks at Coondapur may not be forthcoming. The District Board funds may not also permit to make necessary provision in the Budget to provide additional accommodation for the Board High school Coondapur. So the offer of the Koteshwar villagers that necessary accommodation and equipment will be placed at the disposal of the District Board if a Branch High school is opened at Koteshwar may be accepted and a Branch school opened there. It is of course too late for the current year to start a school at Koteshwar. But since the pupils seeking admission at Coondapur are being refused on the plea that there is no accommodation and since additionale accommodation for the Bd. High school, Coondapur cannot also be provided the opening of a Branch school at Koteshwar may be considered this year after obtaining necessary permission from the Director of Public Instruction, Madras. The opening of a Branch school at Koteshwar is sure to remove the over crowding of classes in the Board High school, Coondapur where there is little scope for providing furtner facilities for the growing strength of the school.

3. Under these circumstances the District Board may take up the question of opening of a Branch school at Koteshwar with Forms I to IV to begin with if the funds of the Bd. Board permit and to maintain only one section in each of the forms. The restriction to one section only in each of the forms is necessary on account of the opening of a new High school at Kota at a distance of 5 miles from Koteshwar. A Branch School at Koteshwar should necessarily have a separate Headmasterw with necessary staff as the Headmaster of the Board High school, Coondapur, cannot also supervise the work in the Branch school as the strength of Coondapur School is nearly 650 and as the District distance between Coondapur and -- Koteshwar is about 5 miles.

Also Endorsement N.R.C.No.6107-B-49 dated 20-6-49 of the District Educational Officer, South Kanara, recommending the opening of a Branch High School at Kotcshwar by the Board with forms I to IV and maintaining one section in each form.

Also office note in the matter.

RESOLUTION: "The Board is willing to open a Branch High School of the Board High School, Coondapur at Kotcshwar with effect from the school year 1949-50 subject to sanction by Government, provided (1) that the public of Kotcshwar place at the disposal of the Dt.Board necessary buildings with accommodation to hold all the forms of the Branch High School, Kotcshwar, an office room and a retiring room for girl pupils, (2) that a sufficient number of latrines and Urinals is put up before the end of May 1950.
(3) that necessary equipment and appliances including furniture, library books and maps and laboratory articles etc, are supplied.
(4) that a sum of Rs.3000/- is deposited by the President, High School Committee, immediately on receipt of orders from this office towards the net cost of the school for the year 1949-50 and the due fulfilment of the above conditions."

2 The Special Officer requests sanction for the opening of a Branch High School of the Board High School, Coondapur at Koteshwar. But since it is reported that large number of boys and girls of Koteshwar and surrounding villages are denied admission into the Board High School, Coondapur where, it is stated there is no sufficient accommodation and there is little scope for providing further facilities for the growing strength of the school, it seems desirable to allow a new High School itself to be opened at Koteshwar instead of a Branch High School. It is therefore suggested that the District Board may be permitted to open a separate High School with Forms I to IV at Koteshwar from 1949-50.

3 But attention is in this connection invited to para 6 of the letter of the Special Officer wherein it is stated that the Budget Estimate of the Board for 1949-50 as revised by Government closes with a deficit of Rs.1,53,990/-. It is therefore suggested that the Special Officer may be informed that the opening of a new High School at Koteshwar should be subject to the condition that it should not result in any expenditure from the District Board funds on this account.

While thanking the Government and the Special Officer, District Board, South Kanara, for sanctioning a Board Secondary school at Koteshwar, I have to state that without the opening of the IV Form this year itself, as requested by us, about 30 to 40 pupils, who are waiting for admission here into IV form, will be left in the lurch, in as much as it is impossible for them to get admission into any other schools at this time of this year. Moreover, the Committee also feels that it will not be in a -- position to raise all the necessary funds required for the high school from the public, unless the said IV Form is opened this year itself.

In these circumstances, I request you kindly to move the Government for permission to open IV Form immediately this year so that the High school career of the pupils who have been eagerly waiting for admission into IV Form may be uninterrupted and the work of the High school committee facilitated.

In the meantime, as required in your above letter, a sum of Rs.3000/- will be arranged to be deposited immediately under advice to you and as regards the buildings and other equipments, I am to inform you that a building which is ready for occupation now, (as already intimated to you in my letter dated 20-6-1949) furniture and etc, will be made available to you by the 26th of this month. With regard to the conveyance deed, the same will be executed in your favour as soon as the permanent buildings under construction are completed.

" Educational Minister Madras, more than 40 students waiting IV Form admission pray permission telegraphically, Seetharama Mithala President Koteshwar High School Committee"

In this connection, while thanking you, I wish to bring to your kind notice of my letter dated 20th july 49 addressed to the Special Officer District Board South Kanara, requesting therein the urgency for opening the IV Form this year itself, in view of the fact that there are enough students who are eagerly waiting for IV Form in anticipation of your kind sanction for the same. The whole carrier of those pupils will be jeopardised if we do not do not have IV Form in the current year.

We have already made sufficient arrangements for buildings, furnitures and other equipments which will be sufficient for IV Form also (including I to III Forms), as we have already undertaken . We are earnest in fulfilling our promise at the earliest possible time.

We are really happy to inform you that we have started the High School today; but we felt rather unpleasent at the same time when we had to disappoint so many students who come for admission into IV Form.

I therfore, on behalf of those students and the public request your honourable self to consider this in the light of urgency and importance of the circumstances and pray that an immediate sanction may be granted for IV Form by return of post

I once again thank you,

Ref: G.O.(Ms.) No.2267 Edn., dated 13-7-1949 and Govern
Memo No.57565-B1/49-2 Edn., dated 11-8-1949.

While sanctioning the opening of a Middle School at Kot
and also Form IV in the same school respectively Government have
stated in their orders referred to above that no extra expenditu
should be incurred from the District Board funds on this account
I presume that it is however the intention of Government that th
school should be paid both recurring (or half net cost basis)
Non-recurring grants from Provincial funds as in the case of the
Local Body Secondary Schools. I request to be informed in

Schools - Secondary - District Board South Kanara High school at Kotteshwar - Teaching & Equipment grants

From the DPI Ac. no 1517 G-2/49 dt 25-8-49

Memo. No bb373B1/49-1 Edn dt. 5.9.49

The DPI is informed that it is the intention of Govt that the newly opened secondary school at Kotteshwar should be paid teaching grant on half the net cost basis and that the DBd should utilise the sum of Rs 3000 deposited by the Kotteshwar High School Committee to meet its share of the cost of running the school in the current year and the succeeding year so as not to result in any expenditure from the general funds of the DBd on this account. The Director may therefore include the name of this institution in the Part II scheme for teaching grant for 1950-51.

2. The Director is informed that as the Kotteshwar High School Committee has promised to meet all expenditure on equipment, laboratory and other teaching appliances, there is no necessity to consider any application for subsidy towards the purchase of initial equipment for the school now. If the DBd applies for subsidy towards the purchase of equipment in future, it may be considered on its merits as under Govt order No 1715 Edn dt 25.5.49 even newly opened secondary schools are eligible for non-recurring subsidy towards the cost of purchase of equipment.

At Koteshwar (near Coondapoor) the local people have put up a building for a High School and promised the District Board that they would meet all expenditure towards equipment, laboratory and other teaching appliances etc. and deposit Rs.3,000/- towards any net cost which the District Board may have to bear in the current year and the succeeding year. A large number of students are awaiting admission in Coondapoor, Koteshwar and in the immediate neighbourhood this year. There is no accommodation for these students in the Coondapoor Board High School. It will be necessary to accept the offer of the public and permit the District Board to open the HighSchool at Koteshwar. The Hon'ble Mr. Chandramouli, when he visited South Kanara in May or June, had also expressed to the Special Officer of the District Board that this offer may be accepted. The District Board has already addressed the Government through the Director of Public Instruction.

Early orders may please be issued in this matter so that the boys may get admission in the new high school before the middle of this month

[Memo no 51740 A-1/49-1 Edn dt 8-7-49]

From the S.O. Dt Bd South Kanara R.C.No 11667-A3-49 dated 29-5-49pp
From the D.P.I. R.C.No 1517 G2/49 dated 7-7-1949

Please see the letter from the S.O. Dt Bd South Kanara oo pp-3 to 5 c/ in regard to the opening of a Board High school at Koteshwar with a view to relieve the congestion in the Board High school at Coondapur and to satisfy the aspiration of the public of Koteshwar to have a separate high school. It is reported that the public of Koteshwar have undertaken to provide the necessary buildings ~~equipment~~ labor etc and also to donate a sum of Rs 3,000 to meet the deficit on the running of the school. The D.P.I. is of opinion that it is desirab to allow a new high school itself to be opened at Koteshwar instead of a branch of the school at Coondapur with Forms 1 to IV with effe from 1949-50 subject to the condition that it should not result in a extra expenditure from the District Boards funds.

2. The procedure that is usually adopted in such cases to open a middle school at first and then develop it into a high school late on if the strength of the middle school warrants the opening of high forms. The school year has already commenced. ~~It is therefore for consid to whether~~ the opening of ~~RRRR~~ a new middle school at Koteshwar in the current year with one section in Forms I to III may be permitted subject to the condition that the entire cost of runnin the new middle school should be met from the donation collected from the public of Koteshwar. The question of opening higher forms may b considered in the next year if the promised help from the public is forth coming and the newly opened middle school is provided with adequate accommodation, furniture and other articles of equipment it strength justifies the opening of higher forms.

3. The net cost to the district board is estimated at Rs 500. Th seems to be an under estimate. ~~RRXXX

opening of the school as suggested in para 2 above subject to the notification proposed.

The proposal of E. & P.H. to permit the opening of a middle school now is accepted. The opening of higher forms may be approved in future years, after the public fulfil completely their promise of providing buildings and other equipment, including playgrounds, furniture and laboratory equipment and donation of Rs.3,000/- for the school.

The Dt. Board's finances are not satisfactory.
